GIVING TREE

Each year Regentville Public School has a Giving Tree standing in the office foyer. Each year visitors, children and staff watch as the number of gifts grow. Local charities have benefitted from the generosity of our school community in previous years.

Once again we are asking for that Regentville generosity. If each family could please donate an item of food or a gift to be placed under our Giving Tree to be distributed amongst local charities.

Thank You

Band News

Is your child interested in joining the band next year? Would you like more information on the School Band program? The *School Band* is now taking enrolments for 2014 and participation is open to all students who are *currently in year 2-5*. No prior experience is required.

Students will have recently attended a **Concert** by the band and *Teaching Services Australia (TSA)* staff demonstrating the variety of instruments available for tuition next year. They will also have received a green *Expression of Interest* form ("*Band Program Introduction*"). Students who have returned this form will be given the opportunity to test a variety of instruments to help them find the one most suited to them. They will then be given a comprehensive *Enrolment Pack* with the results of this instrument test.

Learning an instrument in an ensemble is a great way to experience the social, educational and personal benefits that music and the arts have to offer. TSA is committed to providing a quality concert band program, with full band rehearsals, great value tuition and rent-to-buy instrument hire.

This green *Expression of Interest* form is due back to the school office *within 5 days*. You can download this note at www.teachingservices.com.au or for more information email info@teachingservices.com.au
