The Spirit of Giving

Each year Regentville helps various charities that support families facing hardship over Christmas. This year, for our "Giving Tree" we have allocated each stage something special to bring to ensure a variety of items are available.

If you choose to support this worthwhile cause you can bring in one or as many items as you like to place in your classroom collection box. These items will be combined and will go to families in our local community who are in need.

The SRC will be collecting items in the classroom from Monday 1st December until Friday 5th December. Of course, if you would like to donate anything after this date you can put it directly under the "Giving Tree" which can be found in the office.

We thank you in advance for your generosity.
