Whooping Cough

There have been some cases of Whooping Cough reported to our school recently. Please see the letter from the Department of Health included in this RAP.

Opportunity Class Applications for Year 5 in 2017

Parents of students currently in Year 4 are reminded that the application process for the Year 5 OC Class Placement Test closes on Friday 13 May.

You must apply online at www.schools.nsw.edu.au/ocplacement

Stewart House

Envelopes have been distributed this week for donations to Stewart House. I am encouraging the children to ask their mums and dads if they can do a small job to earn the \$2 for the envelope so that it is children helping children. Envelopes need to be placed in the box in Mrs Scott's room by Monday 16 May 2016.

Thank you
Kim Scott

Dates for the Calendar

**NOTICE TO PARENTS
Re: Whooping Cough**

Dear Parents,

A member of the community at Regentville Public School has recently been diagnosed with WHOOPING COUGH (pertussis). Whooping cough is a disease which can spread easily from person to person. In order to prevent your child and other students from catching whooping cough the Public Health Unit would like to inform you that:

1. Full immunisation is the best protection against whooping cough. However, even children who are fully vaccinated can develop whooping cough.
2. If your child has any of the early symptoms of whooping cough, such as a cold or dry cough, then please consult your doctor as soon as possible, and **take this letter with you**.
3. Your doctor can arrange a **throat swab** to test for whooping cough. Please keep your child at home until these results are available (usually a couple of days).
4. Antibiotics are recommended for treatment of whooping cough and are effective in reducing symptoms and further spread of whooping cough if commenced within 3 weeks of symptom onset.
5. Please keep your child at home until they have completed at least five days of the course of antibiotic treatment, or until your doctor advises that they are no longer infectious.

A whooping cough fact sheet can be downloaded from the NSW Health website at <http://www.health.nsw.gov.au/factsheets/infectious/pertussis.html>.

Please do not hesitate to contact an Infectious Diseases Officer at the Public Health Unit (telephone: 4734 2022) if you require further information.

Yours Sincerely

Dr Bradley Forssman
Director, Public Health
