Procedures for Mobile Phones at school

- Students should only bring mobile phones to school if parents deem it necessary to make contact before and after school.
- Mobile phone contact is not needed during school hours because any emergency contact can be made through the office.
- Phones should be brought to Mr Bamford's office as soon as the student arrives at school.
- Phones can be picked up from the office at 3pm.

We cannot take responsibility for any loss or damage to phones that are left in student's bags.

Late Arrival/Early Leaving

A reminder that if your child arrives after the morning bell at 9am or has to leave prior to the 3pm bell they will need to report to the office to receive a late note/early leaver note. This procedure is a legal requirement that is necessary to keep our class rolls accurate.
