

Stage 2 (Year 4) Science Excursion

Penrith Lakes Environmental Education Centre

Dear Parents,

Penrith Lakes Environmental Education Centre is located on Old Castlereagh Road near Sydney International Regatta Centre. This excursion addresses outcomes from the Science and Geography Stage 2 Syllabus.

Students will explore the natural environment and learn about science as a unique way of answering questions about the health of plants, animals and ecosystems, and the importance of this information in decision-making and problem solving. There are a range of highly engaging hands-on activities that provide students with the opportunities to develop improved visual and scientific literacy.

Students will be attending on the following days:

Wednesday 21st June: 4J, 4N (half of the class)

Friday 23rd June: 4CP, 4N (half of the class)

Students 4N will be split across both days and your child will be attending on the date highlighted.

Children will be travelling by seat belted coach. The children must be at school by 8.50am. The coaches will depart school at 9.10am sharp and return to school by approximately 2.30pm.

What to Bring:

- A hat, sunscreen and comfortable enclosed shoes - sports uniform recommended.
- Pens, pencil and clipboard for worksheets.
- Students to bring their own food (recess and lunch. Low waste lunches - reusable lunch boxes and drink bottles are recommended).

The cost of this excursion is **\$26.00** and is payable through the school's secure online payment system. Go to <https://regentvill-p.schools.nsw.gov.au/> and click on 'Make a Payment'.

Please make payment by Friday 9th June 2023. If your child is unable to attend or you require financial assistance, please contact Mrs Gerrish as soon as possible.

Yours sincerely,
Denise Robens
Organiser

Each child must return his/her own permission note to the front office.
